igesia.co Connect

Igesia.co Connect is a modern learning experience platform designed for Live Blended Learning. Created by educators, Igesia has been designed to deliver effective education in both live virtual and in person environments. The platform has been designed with the student in mind to help advance her learning goals. Igesia is built to support university leadership to take the right decisions for the success of programs.

Live LXP®

Applications designed for Live Blended Learning

- LXP designed for blended learning: Fully remote, in person and blended
- Intuitive & integrated learning experience for students and educators
- Integrated data platform for smart analytics
- Designed for rich in-class and out-of-class learning
- Provides for life-long learning
- Record sessions and store your classroom data
